

Membership Benefits

Your membership in the Public School Risk Institute gives your school district valuable information and decision-making tools to:

Connect

- Membership directory – a unique gateway to the school risk management community and professional peers across the nation.
- Monthly e-Letter with national coverage of school districts and school risk groups.
- Corporate partner links and “thought leader” relationships.
- Staff dedicated to public school risk management with experience in association communications.

Save

- Faster answers, less time wasted searching for resources.
- Convenient access to extensive publications, bookstore.
- Price discounts and group purchase options for helpful materials.

Share

- Special interest groups and committees with facilitators.
- Best practices exchange and development projects.
- Practical research on vital topics and issues.
- Peer group benchmarking projects.

Learn

- Regional events and special activities at national conferences.
- Webinars and online courses.
- Small group meetings and clinics on timely topics.

Lead

- Models and blueprints to attain excellence in controlling costs.
- Recognition for exceptional safety programs and results.
- Progress reports on risk management practice and achievement in public schools.
